

SASTRA FILM
inspired by love

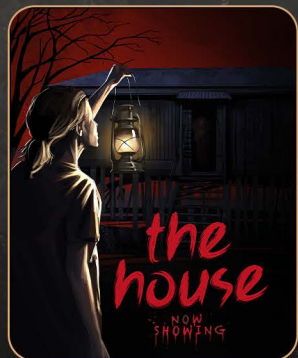

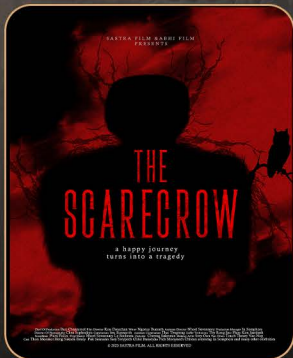

PORTFOLIO

1ST LEADING PRODUCTION & STREAMING PLATFORM IN CAMBODIA

Sastra Film is the premier film production and streaming platform in Cambodia, setting the gold standard for Cambodian Films. We are dedicated to producing high-quality films that showcase the richness and diversity of Cambodia's culture and its people. Our platform offers a wide range of streaming options, catering to the discerning tastes of our global audience. We take pride in our exceptional selection of Cambodian films, which span across multiple genres, including drama, romance, comedy, and action. Our unwavering commitment to promoting Cambodian cinema has earned us the trust and loyalty of movie enthusiasts and film industry professionals both locally and internationally. Our range of products includes various types of videos, such as indirect marketing commercial videos, viral videos, online videos, short films, movies, dramas, feature films, as well as co-productions.
